OF FURTHER REVISIONS TO USPS-FY14-4 -- ERRATA**
(April 15, 2015)

The United States Postal Service hereby provides notice of further revisions to the billing determinants provided in USPS-FY14-4, submitted with the ACR on December 29, 2014 (and subsequently revised on February 6, February 13, and March 3, 2015). Today's revisions affect the Periodicals and Bound Printed Matter files. Those files are replaced with the corresponding files included on the new supplemental disk. All other files are unchanged. Details of the revisions made in each of the two files can be found at the end of the revised Preface, which is also provided as part of the new supplemental disk. The purpose of these revisions is to clarify the foundation for materials supporting analysis in the ongoing price cap proceeding, Docket No. R2015-4.

Respectfully submitted,
